Dear Harold,

The points made by Sprague are not unfounded. The Schweiker Committee data alone establishes the need material and new a Cover-up by The F.B.I./CIA/D.J. and White House to put out an Assured alone status before an investigation. The problem is not the paucity of "proof" but its volume.

The failure of any agency or authority to investigate speaks for itself. When Pottinger stood New Times that only the press caused Irving this out. Re aptly described The D.J.! This is why the "Nuts" made Right. They way they has The Press and Government done nothing. Indeed, they! Once one caused accept ignorance, sloth, and prejudice

as a "treason". That won't wash now.

Congress is the wrong agency! But who else is there?

The Watergate prosecution was as corrupt as the crime! No, it's unlikely the D.C. Courts will move.

The CIA stuff with its press "assets" and spook written stories is the tip of the iceberg.
